footsteps  
of Jesus*

**FOLLOW.**

*Mark 1-10*

*readings,  
messages,  
and prayer*

Welcome to **the FOLLOW**.

We're so obsessed with this thing called "leadership." I get it. As humans, we are inspired by leaders, look up to leaders, and long to be considered leaders in our own right. But I have discovered that in God's perspective, the ability to lead others pales in comparison to the willingness to gladly and faithfully follow Him. And I have seen it time and time again, those who learn to follow well, God will use to lead well.

So let's dig into life's greatest venture: **the FOLLOW**.

Two months of daily readings and weekly messages to follow along in the first 10 chapters of Mark...

In those 10 chapters, we'll follow the footsteps of Jesus' public life and ministry...

In those 10 chapters, we will also follow the evolving journey of Jesus' disciples...

And we'll discover some key seasons and lessons in our own discipleship journeys too.

And in those two months, we will *also* find ourselves preparing to follow Jesus closely through the most important week in all of history: His Final Week... or what I have come to call "Passion Week."

During our week before Easter (April 5-11) we will gather for an hour each evening, to quietly follow the events and lessons of that particular day in *His* final week...

In sights, sounds, smells, scriptures and songs, in tastes, touch, teachings, tangibles and take-aways, we'll be transported heart, mind and soul to follow Christ through the week of His Passion, the week of His Suffering...

And *I can promise you this:*

That week leading up to Easter?  
It will never be the same again for you and yours.

The joy and the victory of Easter Sunday?  
It will rise to greater heights in your soul than you've ever experienced.

As a church family, we will even find ourselves longing to do this every single year – this week, etched in time, will never stale.

Enlivened, we will find ourselves inviting others along, into our lives, our conversations, our faith, our joy, our church, into our Passion Week, and into every week for that matter...

No joke, this season will *CHANGE. YOUR. LIFE.*

Why? Because you **FOLLOWED.**

So let's commit the next two months leading up to His Last Week, committing ourselves to follow Him.

In Mark, in the readings, in the journaling, in the prayers, in the messages, let's follow Him.

In the most important week in all history, let's plan to follow Him.

In our lives, as his disciples, let's dig in deep to follow Him. He's worth it.

Welcome to **the FOLLOW.**  
*(so glad to be goin' it with ya!)*
